

# SWING ARM 24"

Pezzi di ricambio / Spare parts list

Code: 4-137103

Production date: 03 / 2021

## I

**Sul presente documento sono stati evidenziati con colore grigio i ricambi consigliati e indicati in grassetto i codici che sono variati rispetto a quelli riportati nella precedente versione del 01/19**

## EN

**In this document, the recommended spare parts have been highlighted in gray, while in bold you find those codes which are different if compared with the previous version dated 01/19**

## DE

**Im vorliegenden Dokument wurden die empfohlenen Ersatzteile in grauer Farbe hervorgehoben; die Teilenummern in Fettdruck haben sich beziehend auf die vorherige Version vom 01/19 geändert.**

## FR

**Dans ce document, les pièces de rechange préconisées sont soulignées en gris, tandis que les références différentes par rapport à la version précédente du 01/19 sont en gras**

This exploded view diagram illustrates the assembly of a mechanical component. The main parts are labeled as follows:

- 1**: A long, rectangular metal bracket or frame.
- 2**: A hexagonal nut or washer.
- 3**: A small, cylindrical component, possibly a pin or a small bush.
- 4**: A complex, curved mechanical part, likely a lever or a pivot arm.
- 5**: A small, circular disc or washer.
- 6**: A small, cylindrical component, possibly a pin or a small bush.
- 7**: A small, cylindrical component, possibly a pin or a small bush.
- 8**: A rectangular plate or cover with a central slot.
- 9**: A coiled spring.
- 10**: A small, cylindrical component, possibly a pin or a small bush.
- 11**: A small, cylindrical component, possibly a pin or a small bush.

The diagram shows the relative positions and assembly sequence of these components. For example, the spring (9) is positioned to fit around the central shaft of the lever (4). The bracket (1) is shown with various holes and slots for the other components to be attached.
