A missing part/accessory? Contact Corghi USA at 1-800-260-0968 Option 2 Immediately.		
The warranty period for this unit along with a printed copy?		

General Maintenance for Wheel Balancers:

Always refer to your operator's manual or contact Corghi USA service department for any technical questions.

General maintenance should be performed at least monthly or more frequently based on usage.

- Keep the weight tray clean and free of trash and debris
- Clean the threaded shaft and cones with WD40, use caution as metal shavings may be present on the shaft from the wing nut
- Use a mild detergent sprayed on a rag to clean cabinet and weight tray
- Use approved LCD cleaner for monitor (EM7280 and EM9580 only)

General Terms, Disclaimer & Limitation on Liability

Corghi USA expressly warrants its products will be free from defects in material and/or workmanship for the time period specified. Corghi USA must be informed in writing within 7 days after discovery of a defect. Corghi USA reserves the right to repair or replace a product at our discretion. Consumable products and accessories such as but not limited to; plastic protection parts, bead breaker pads, inflation hoses, and rollers, are not covered under this warranty. This warranty does not cover any damage resulting from abuse or failure to perform any necessary maintenance (i.e. damage due to or resulting from, faulty installation, neglect, misuse, improper electrical connections or electrical surges, problems resulting from excessive water, contaminated air system, or pollutant of any nature, fire or freight damage).

Corghi USA's agreement to repair machines is expressly in lieu of all other warranties, express, implies or statutory, including any warranties for merchantability and fitness for a particular purpose. Corghi USA maximum liability shall be limited to the cost of the machine. In no event shall Corghi USA be responsible for owner's lost profits, goodwill or other incidental or consequential damages. Freight damage to equipment or accessories shipped directly from Corghi USA must be communicated directly to Corghi USA within 24 hours of receipt. Corghi USA is not responsible for damaged equipment or accessories that have not been reported within 24 hours of receipt. Corghi USA is not responsible for damaged equipment or accessories shipped directly from other distributors. Freight claims are to be made directly with those distributors.
