

ARTIGLIO MASTER CODE

Pezzi di ricambio / Spare parts list

Code: 4-108540C

Production date: 04 / 2016

I

Sul presente documento sono stati evidenziati con colore grigio i ricambi consigliati e indicati in grassetto i codici che sono variati rispetto a quelli riportati nella precedente versione del 02/13

EN

In this document, the recommended spare parts have been highlighted in gray, while in bold you find those codes which are different if compared with the previous version dated 02/13

DE

Im vorliegenden Dokument wurden die empfohlenen Ersatzteile in grauer Farbe hervorgehoben; die Teilenummern in Fettdruck haben sich beziehend auf die vorherige Version vom 02/13 geändert.

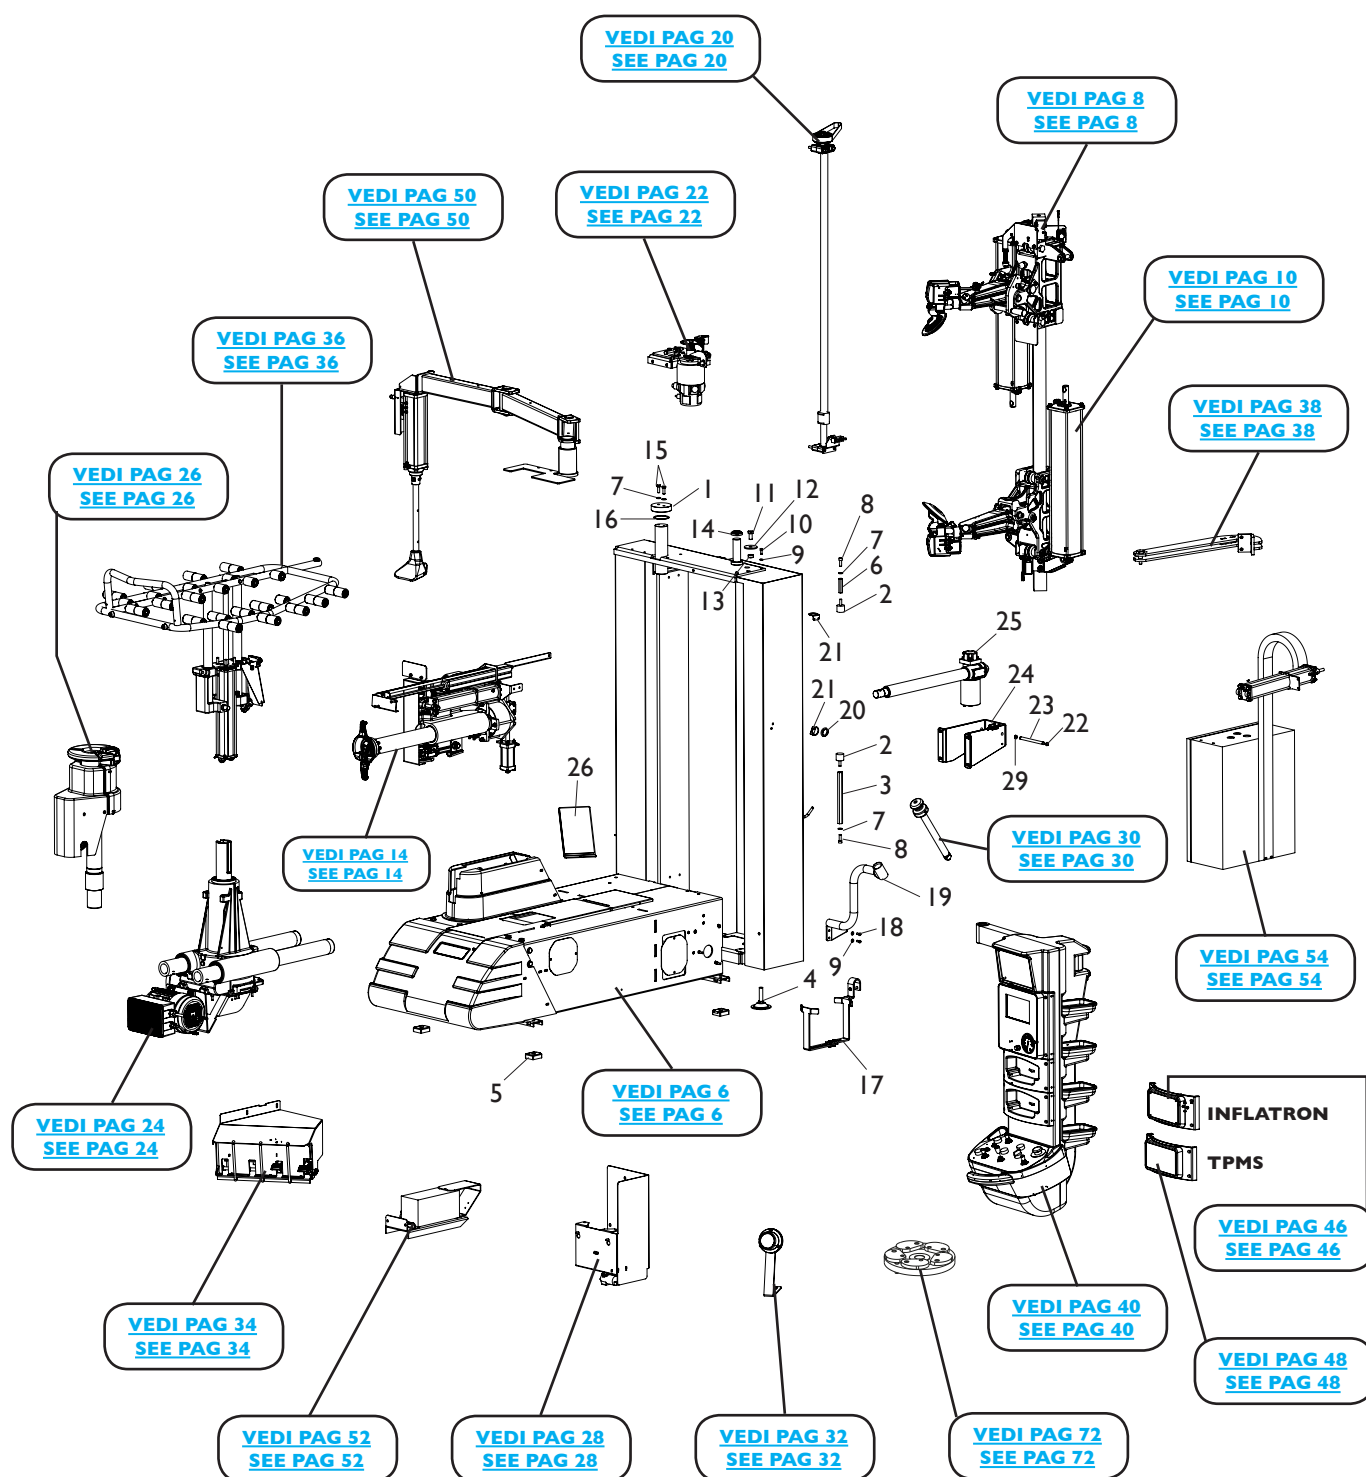

FR

Dans ce document, les pièces de rechange préconisées sont soulignées en gris, tandis que les références différentes par rapport à la version précédente du 02/13 sont en gras

This exploded view diagram illustrates the assembly of a mechanical component, likely a lamp head or a similar device. The parts are numbered 1 through 44, and callouts 1 through 4 indicate specific assembly steps or sub-assemblies.

- Top Section:** Features a long horizontal bar (30) with mounting brackets (10) and a central assembly (44) that includes a vertical rod (24) and a horizontal arm (29).
- Left Section:** Shows a vertical rod (23) with a cap (20) and a base (25). A callout (40) shows a sub-assembly with parts 11, 26, and 27.
- Center Section:** Displays a central vertical assembly (22) with a base (42) and a top cap (21). It includes various fasteners like screws (4) and bolts (8).
- Right Section:** Shows a horizontal bar (39) with a mounting bracket (31) and a base (32). It includes various fasteners like screws (12), bolts (14), and nuts (15).
- Bottom Section:** Features a vertical rod (43) and a base (41) with a mounting bracket (36) and a central assembly (35).

The diagram uses standard mechanical drawing conventions to show the relative positions and assembly sequence of the components.

This diagram shows the front panel assembly in an exploded perspective view. The main component is a large rectangular panel (16) with a semi-circular top edge. The top edge features a series of circular elements (12) and a central rectangular cutout (13). A bracket (14) is shown attached to the top edge. A separate component (17) is shown to the left, which is a rectangular panel with a semi-circular top edge, also featuring a series of circular elements (12) and a central rectangular cutout (13). A bracket (14) is also shown attached to the top edge of this component.
