

SWING ARM 24"

Pezzi di ricambio / Spare parts list

Code: 4-137103

Production date: 01 / 2019

I

Sul presente documento sono stati evidenziati con colore grigio i ricambi consigliati.

EN

In this document, the recommended spare parts have been highlighted in gray.

DE

Im vorliegenden Dokument wurden die empfohlenen Ersatzteile in grauer Farbe hervorgehoben.

FR

Dans ce document, les pièces de rechange préconisées sont soulignées en gris.

This exploded view diagram illustrates the assembly of a mechanical component. The main body is a long, rectangular metal bar with a central vertical shaft (1) and a horizontal mounting bracket. Various fasteners and components are shown in their relative positions for assembly:

- 1:** Points to the central vertical shaft.
- 2:** Points to a hexagonal nut or washer.
- 3:** Points to a small cylindrical component, possibly a bush or spacer.
- 4:** Points to a complex, curved mechanical part, likely a lever or actuator.
- 5:** Points to a small circular disc or washer.
- 6:** Points to a small cylindrical component, similar to the one in 3.

Other visible components include a coiled spring, a hexagonal cap, a small rectangular plate, and various screws and bolts. The diagram is a technical line drawing showing the spatial relationship between these parts.
