

### **General Maintenance for Wheel Balancers:**

Always refer to your operator's manual or contact Corgi USA service department for any technical questions.

General maintenance should be performed at least monthly or more frequently based on usage.

- Keep the weight tray clean and free of trash and debris
- Clean the threaded shaft and cones with WD40, use caution as metal shavings may be present on the shaft from the wing nut
- Use a mild detergent sprayed on a rag to clean cabinet and weight tray
